Note 1: These aircraft do not require a phase check. All others will require a phase check.

Note 2: These aircraft require an instrument rating.

Note 3: These aircraft require a multi-engine rating

Note: All tail wheel aircraft will require a phase check and a minimum of 10 hours prior to completion of training.

## Beginning Private Pilots – Learning to Fly

- Be at least 16 years old to solo
- Be at least 17 years old to take FAA practical test
- Be able to read, speak, and write in English
- Pass a physical exam administered by an aviation medical examiner
- Pass a written exam (at least 70%)
- Complete a practical test with FAA examiner

### Legal Minimum Required Instruction\*

40 hours total flight time

- 20 hours of flight instruction
- 10 hours of solo flight
- 3 hours of cross country
- 3 hours of night instruction
- 3 hours of simulated instrument
- 3 hours of preparation for practical test

\*National average is approximately 80 hours

### 3 steps to becoming a private pilot

- Pre-solo: Basic airplane handling, going to/from a practice area, basic take-offs and landings, radio communications (approx. 40 hours).
- Cross-country: Navigation to/from distant airports, advanced take-offs and landings, handling emergencies (approx. 20 hours).
- Practical test: Preparation for the FAA practical test (approx. 20 hours).

### Estimate of Cost for Private Pilot License

70 hours of dual flight time	\$16300
10 hours of solo flight time	\$1500
12 months members dues	\$540
FAA practical exam fee	\$700
Books and supplies	\$300
Ground school	\$250
FAA knowledge test	\$150
Medical exam	\$150
<b>Total</b>	<b>\$19740</b>
Assumes \$150/hr aircraft rate, \$80/hr CFI fee, and \$45/mo dues. Actual costs may vary depending upon choice of aircraft, CFI, and total hours flown.	

## Types of Membership

- **Regular Membership:** Allows full flying and club privileges
- **Military Membership:** Allows full flying and club privileges with a 55% discount on monthly dues
- **Family Membership:** Allows full flying and club privileges with no application fee and 55% discount on monthly dues
- **Associate Membership:** No flying privileges, but entitled to front desk scheduling, social activities, and simulators

### Membership Costs

	Regular	Military	Family	Associate
Application Fee (Non-refundable)	\$75	\$75	None	\$75
Monthly Dues	\$55	\$25	\$25	\$10
ACH-Direct Debit Credit (>2 hrs/month)	\$5	\$5	\$5	N/A
Safety Incentive Credit (>2 hrs/month)	\$10	\$5	\$5	N/A
Best Monthly Rate with incentives/credits	\$35	\$15	\$15	\$10

### Insurance, Deductible Waiver, and Incidental Damage Policy

- **Insurance:** WVFC provides extensive insurance coverage as part of all rentals. We offer \$2M liability insurance with a \$250K per seat limitation. A deductible of \$3500 (not at fault) or \$5000 applies (at fault).
- **Deductible Waiver and Incidental Damage Program:** For \$150 per year, the club will waive the \$3500/\$5000 deductible in the event of a claim as well as provide coverage for incidental damage such as a flat spotted tire, dead battery, or clean-up from a sick passenger.

**Making your dreams of flight a reality since 1972**

**Longevity: 40+ years of experience – you can count on us**

**Quality: Proven training and standards – we'll keep you safe**

**Diversity: Fleet, activities, members, airports, instructors – all part of the club**

**Membership: Join, participate, vote – make all of your dreams of flight a reality**
