Note 1: These aircraft do not require a phase check. All others will require a phase check.

Note 2: These aircraft require an instrument rating.

Note 3: These aircraft require a multi-engine rating

Note: All tail wheel aircraft will require a phase check and a minimum of 10 hours prior to completion of training.

## Beginning Private Pilots – Learning to Fly

- Be at least 16 years old to solo
- Be at least 17 years old to take FAA practical test
- Be able to read, speak, and write in English
- Pass a physical exam administered by an aviation medical examiner (or basic med)
- Pass a written exam (at least 70%)
- Complete a practical test with FAA examiner
- TSA clearance for foreign nationals

## Legal Minimum Required Instruction

- 40 hours total flight time\*
    - 20 hours of flight instruction
    - 10 hours of solo
    - 3 hours of cross-country
    - 3 hours of night instruction
    - 3 hours of simulated instrument
    - 3 hours of preparation for practical test
- \*National average is significantly higher

## Steps to becoming a Private Pilot

- Pre-solo: Basic airplane handling, going to/from a practice area, basic take-offs and landings, radio communications (approx. 40 hours). Solo phase check required.
- Cross-country: Navigation to/from distant airports, advanced take-offs and landings, handling emergencies (approx. 20 hours). Cross-country phase check required.
- Practical test: Preparation for the FAA practical test (approx. 20 hours). Private pilot phase check recommended.

## Estimated Cost for Private Pilot License

Private Pilot Cost	\$100 A/C	\$150 A/C	\$250 A/C
Dual Flight Time (70hrs.)	\$12,950	\$16,450	\$23,450
Solo Flight Time (10hrs.)	\$1,000	\$1,500	\$2,500
Membership Dues (12mo.)	\$540	\$540	\$540
FAA Practical Exam	\$700	\$700	\$700
Books and supplies	\$300	\$300	\$300
Ground School	\$250	\$250	\$250
FAA Knowledge Test	\$150	\$150	\$150
Medical Exam	\$150	\$150	\$150
<b>Total</b>	<b>\$16,040*</b>	<b>\$20,040*</b>	<b>\$28,040*</b>

\*Assumes \$85/hr. CFI fee and \$45/mo. membership dues. Additional ground instruction not included. Actual costs vary depending on choice of aircraft, CFI, and total hours flown.

## Types of Membership

- **Regular Membership:** Allows full flying and club privileges
- **Military Membership:** Allows full flying and club privileges with a 55% discount on monthly dues
- **Family Membership:** Allows full flying and club privileges with no application fee and 55% discount on monthly dues
- **Associate Membership:** No flying privileges, but entitled to front desk scheduling, social activities, and simulators

## Membership Costs

	Regular	Military	Family	Associate
Application Fee (Non-refundable)	\$75	\$75	None	\$75
Monthly Dues	\$55	\$25	\$25	\$10
ACH-Direct Debit Credit (>2 hrs/month)	\$5	\$5	\$5	N/A
Safety Incentive Credit (>2 hrs/month)	\$10	\$5	\$5	N/A
Prepaid Dues (12mo. min.)	\$5	\$5	\$5	N/A
Best Monthly Rate with incentives/credits	\$35	\$10	\$10	\$10

## Insurance, Deductible Waiver, and Incidental Damage Policy

- **Insurance:** WVFC provides extensive insurance coverage as part of all rentals. We offer \$2M liability insurance with a \$250K per seat limitation. A deductible of \$3500 (not at fault) or \$5000 applies (at fault).
- **Deductible Waiver and Incidental Damage Program:** For \$150 per year, the club will waive the \$3500/\$5000 deductible in the event of a claim as well as provide coverage for incidental damage such as a flat spotted tire, dead battery, or clean-up from a sick passenger.

*Making your dreams of flight a reality since 1972*

*Longevity: 45+ years of experience – you can count on us*

*Quality: Proven training and standards – we'll keep you safe*

*Diversity: Fleet, activities, members, airports, instructors – all part of the club*

*Membership: Join, participate, vote – make all of your dreams of flight a reality*
